Mob. No – 8966905271

Email: sandeep.kp@lancogroup.com

*This document can be amended at the discretion of LAPL (if needed).

Tender Specification No: LAPL/ASH/SALE/2022-23/02

Dated: 25.04.2022

Last date of bid submission is 02.05.2022

1. INTRODUCTION

LANCO AMARKANTAK POWER LIMITED ("hereinafter referred to as "LAPL" or "Company"), is located near Pathadi Village on Korba-Champa State Highway in Chhattisgarh, is a coal fired thermal power plant with operational capacity of 600 MW (2 x 300 MW).

Please note: The Company is undergoing Corporate Insolvency Resolution Process (CIRP) as per Hon'ble NCLT (Hyderabad Bench) order dated 05th September 2019.

2. SCOPE OF WORK

1. LAPL is inviting bidders for environmentally friendly utilization of ash (hereinafter referred as "ash") as per the notifications issued by MOEF & CC (as amended from time to time).

1. Land Reclamation Sites
2. Rail/Fly Over Embankment
3. Bridges & Roads (PWD)
4. Mines back Filling
5. Stone Quarries filling
6. Waste land development etc.

Utilization of ash from ash dyke on "**as is where is basis**". Customers, once shortlisted in the TENDER, will be required to submit proposal to LAPL EIC for necessary approvals. Disposal shall be allowed only once LAPL EIC provides written clearance for disposal/utilization of LAPL ash to identified site as proposed by Buyer or LAPL and after the EIC has ensured that all the required approvals are submitted by the transporter, if any. LAPL shall have sole discretion for approval of identified site as proposed customers and the same shall be binding on the customer.

All works have to be carried out as per latest MoEF & CC prevailing guidelines only.

This tender is applicable for sale of ash (As and when available/required basis), Customer(s) agree to accept the sale order from Lanco Amarkantak Power Ltd. with the following detailed scope:-

Detailed scope of work:-

Excavation: The customers shall excavate the ash from the ash ponds by mechanical means such as excavators. The buyer shall excavate ash to the required depths and inclinations leaving the excavated surface level and trim as per the direction of the Engineer - in - Charge. Customers also take all the necessary precautions at their own cost to avoid slipping off from sides. Required necessary industrial slanted de-watering pumps, pipes and ancillaries like cable board with RCB for ash de-watering nearby location if required as per the instructions of EIC is in customer's scope. The empty and loaded dumpers should follow the route as directed by the LAPL Engineer - in - Charge (EIC) i.e. HOD, Civil Department.

Tender Specification No: LAPL/ASH/SALE/2022-23/02

Dated: 25.04.2022

Last date of bid submission is 02.05.2022

Transportation: Nuisance free and pollution free transportation should be the main motto of transportation of ash in leak proof covered dumpers up to the dumping area.

Guidelines for Transportation of Ash:-

1. Transportation is in the scope of Buyer.
2. All transportation of machines & tools, marching is in the scope of Buyer.
3. The body of the vehicles engaged for transportation shall be perfectly leak proof.
4. There will be no consideration for idle charges during the contract period.
5. Top Covering of vehicle with tarpaulin during transportation and to ensure no leakage/no spillage of ash is in the scope of Buyer to prevent emission of ash during transportation.
6. Industrial standard de-watering pumps, pipes and ancillaries like cable board with RCB for ash de-watering nearby location, if required as per the instructions of EIC is in Buyer's scope.
7. Water spraying arrangement at excavation site, along the transportation route and at dumping site to prevent air/dust pollution is under Buyer scope. Water source inside plant will be shown by LAPL and necessary Industrial standard pumps, pipes and ancillaries like cable board with RCB for filling water tanker is in Buyer's scope.
8. Necessary approach roads, whatever required, at the access to ash pond as well as at the disposal end and within the ash pond itself shall be constructed with required materials and shall be maintained by the Buyer during execution of the work as per road safety guidelines
9. For any environment imbalance, the Buyer will be responsible and attend to the same at their own cost. The Buyer will be responsible for any adverse environmental impact due to dumping of the fly ash.
10. All statutory requirements as per the factory norms are in the scope of Buyer.
11. If applicable, Soil Royalty payment will be also in the scope of buyer and for that same challan need to be submitted as a proof of payment (If applicable).
12. After award of TENDER, the transporter has to obtain NOCs from Village Panchayat, District administration (Revenue & Disaster management department), RO-CECB, Korba or any other statutory bodies as applicable and applicable clearances. All necessary approvals from Govt. & any disputes clearance, liasoning is in the scope of Buyer. Dumping of ash will be done as per the latest guidelines of MOEF &CC (as amended from time to time).
13. LAPL will endeavor to update the Buyer about any change in legal requirements for loading / transportation / unloading / etc. of ash. However, it is the responsibility of the Buyer to keep themselves updated about all the existing and latest environmental rules / guidelines / notifications for ash loading / transportation / unloading / etc. and LAPL shall not be held responsible in case Buyer performs any non-compliance in this regard. Any penalties/case arises or cost levied to LAPL due to non-compliance in this regard will be in the scope of Buyer only. The cost of the same will be borne by the Buyer or recovered from buyer's money available with LAPL.
14. Ash to be transported properly in covered trucks and there shall be no spillage during transportation. Cleaning of ash spillage from roads inside/outside plant will be in scope of Buyer.
15. Daily road sweeping inside plant & weigh bridge will also be in the scope of Buyer.
16. Ash to be transported according to designed carrying capacity of trucks.
17. Both Tare and Gross weighments of trucks to be done at LAPL weighbridge.
18. In case of Weighbridge shut down/maintenance, designed capacity weight of vehicle will be given if truck filled full & Tare weight of the vehicle will be considered as per the previous records.
19. Ash to be dumped only at designated place mentioned by the EIC. Record to be maintained at unloading area for each load and copy to be submitted along with bill.

Tender Specification No: LAPL/ASH/SALE/2022-23/02

Dated: 25.04.2022

Last date of bid submission is 02.05.2022

20. In case of disposal area being remote from plant or as per the instruction of EIC, buyer has to provide GPS enabled trucks.
21. Vehicle registration number must be displayed clearly on front, back, left, right and Front glass of the vehicles.
22. Safely loading and unloading will be in the scope of Buyer.
23. All the required standard safety measures & PPEs, at the loading & unloading area and during contract period shall be mentioned in sale order and the quantity should be carried as per the instruction of EIC.
24. The safety, statutory & environmental requirement are in the scope of Buyer.
25. Housekeeping of the surround work done area is to be completed without any delay, after completion of respective job.
26. The buyer to coordinate with existing ash pond bund maintenance contractor's team and other buyers to avoid any dispute and for smooth flow of work.
27. The buyer should also have the capability to arrange for replacement of any machinery in the event of their breakdown.

General Instructions:-

- Obtain statutory permission from Regulatory Authorities such as CECB as per the requirement. All liasoning work including requirement to obtain approvals/NOC from statutory bodies shall be in Buyer scope. LAPL shall only provide necessary documentation support.
- LAPL EIC shall certify the fortnightly quantity lifted by Buyer as per LAPL weighbridge report. Further LAPL weigh bridge report shall be considered for all commercial purposes.
- The Buyer shall ensure compliance of all the rules and regulations under latest Motor Vehicle Act for the transportation under this contract. LAPL shall not be responsible for any non-compliance of the rules. The Buyer shall indemnify LAPL against all and any actions which may arise out of such non-compliance.
- Leak proof Hywa/tippers are to be engaged for transportation of ash to project areas.
- Hywa/tippers arranged for ash transportation & loading will be inspected periodically & unfit vehicle as per LAPL vehicle safety guidelines, will be banned for entry.
- Hywa/tippers engaged for ash transportation should be fully covered with tarpaulin without any spillage after loading inside of ash pond only. Tarpaulin for covering purpose will be in Buyer's scope.
- Vehicle fitness, Insurance, Vialled license for excavator operators, drivers are required at the gate entry for issuing of gate pass.
- Area for lifting ash in ash dyke will be provided by LAPL & Buyer will engage the resources in the marked area only for lifting ash. Lifting of ash from any other area till further instruction will not be allowed.
- Ramp required for safe access & exit of vehicles in side ash dyke will be constructed with all required materials & maintained as per the road safety standards by Buyer (Royalty to be paid by Buyer, if required). Handrails with reflective tapes will be required to be installed on both sides of ramps by Buyer.
- Two different ramps, one for entry & one for exit to be constructed by Buyer.
- Construction of entry & exit ramp with respect to change in location of lifting ash will be in Buyer's scope.
- All the resources required for lifting of ash from dyke in Hywa/tippers will be in scope of Buyer.

Tender Specification No: LAPL/ASH/SALE/2022-23/02

Dated: 25.04.2022

Last date of bid submission is 02.05.2022

- Electric connection Center bund of ash pond will be provided by LAPL and inside pond industrial standard cable, lights, boards, switches, RCB, laying and maintenance in scope of Buyer.
- Pond area and for their temporary site office, any other tools tackles, consumables /materials will be in the scope of Buyers.
- Buyer to deploy, flag men at entrances and exit of ash pond, supervisors at loading, weighbridge, unloading areas & safety officer on shift basis, to ensure safe disposal of ash.
- Buyer has to provide Safety officer in all 3 shifts for Safety toolbox talk, vehicles & drivers fitness checking and safe movement of transportation and environment controls inside and outside of plant.
- Operators/drivers engaged in resources for ash disposal has to follow the LAPL safety guidelines & gate pass of the person found violating the same will be immediately cancelled.
- Buyer has to deploy resources for maintenance of ash dyke access road & the top of embankment to ensure safe access to the loading point.
- Excavation inside ash dyke to be carried out only as per LAPL instructions.

During the execution of work, the contract validity can be revised at the sole discretion of LAPL, after considering the LAPL site situations.

10. SUBMISSION OF BIDS

- i. The bid shall be submitted in two parts. The Bidder shall seal the original and copy of each part of the bid separately in inner and outer envelopes duly marking the envelopes "Original", "First Copy", the two parts are-
- (a) Technical Bid
 - (b) Commercial Bid

The main envelope containing the two parts of the bid shall be super scribed as:

**LAPL/ASH/SALE/2022-23/02- BID FOR 'UTILIZATION OF ASH'- TO FILL LOW LYING AREA
"DO NOT OPEN BEFORE (DATE) AND (TIME) OF BID OPENING"**

NAME AND CONTACT DETAILS OF THE PARTICIPANT (BIDDER) – In the lower corner of the cover.

And the main envelope shall be addressed and submitted to:-

Manager (C&M)**Lanco Amarkantak Power Limited**

Administrative Block, Village- Patadi,

Post office – Tilkeja, Korba, 495674

Mob. No – 8966905271

Email: sandeep.kp@lancogroup.com

- ii. The first envelope containing the first part of the bid shall be super scribed as
"LAPL/ASH/SALE/2022-23/02-PART I -TECHNICAL BID".

Part – I - Technical Bid (Original Hardcopy- 1 Set, First Hard Copy 1-Set)

- a) Small envelope containing EMD
- b) Land documents*
- c) Gram Panchayat NOCs*
- d) District administration (Revenue & Disaster management department) NOC*
- e) RO-CECB office NOC*
- f) Mining Department NOC *

Tender Specification No: LAPL/ASH/SALE/2022-23/02

Dated: 25.04.2022

Last date of bid submission is 02.05.2022

- g) Any statutory bodies as applicable and applicable clearances
- h) Company profile
- i) Schedule 01 [PREVIOUS EXPERIENCE AND CURRENT WORK]
- j) Schedule 02 [FINANCIAL TURNOVER]
- k) Schedule 03 [SCHEDULE OF DEVIATIONS in bid]
- l) Schedule 04 [DECLARATION OF SITE VISIT BY THE BIDDERS]
- m) Schedule 05 [List of Equipment owned by Bidder]

***If applicable, LAPL will be inform to the successful bidders and will provide necessary supporting documents.**

- iii. The second envelope containing the second part of the bid shall be super scribed as "**LAPL/ASH/SALE/2022-23/02-PART II –COMMERCIAL BID**" having the following information as per prescribed format of the tender document- Annexure A

11. DEADLINE FOR SUBMISSION OF BIDS

The completed bid shall be submitted at the office of LAPL, no later than date and time indicated in the bidding document/ its amendments. The LAPL may, in exceptional circumstances and at its sole discretion, extend the deadline for submission of Clarification/Bids by issuing Addendum(s), in which case all rights and obligations of the LAPL and the Bidders subject to the original dead line will thereafter be subject to the deadline, as extended.

12. LATE BIDS

Any bid received by the LAPL after the prescribed or extended deadline for submission of bids will not be considered for opening & evaluation.

13. BID EVALUATION

13.1 The LAPL will examine the bids to determine whether they are complete, whether the documents have been properly signed, and whether bids are generally in order.

13.1 Fax / E - mail offers will be treated as defective, invalid and rejected. Only detailed complete offers received prior to the closing time and date of the bids will be considered as valid. Bids not complying with any of the Instructions contained herein may not be considered.

14. PROCESS TO BE CONFIDENTIAL

14.1 Information relating to the examination, clarification, evaluation, and comparison of bids and recommendations concerning the award of Contract shall not be disclosed to bidders or other persons not officially concerned with such process.

Tender Specification No: LAPL/ASH/SALE/2022-23/02

Dated: 25.04.2022

Last date of bid submission is 02.05.2022

14.2 Any effort by a bidder to influence the LAPL in the process of examination, clarification, evaluation and comparison of bids or in decisions concerning the award of contract may result in the rejection of the bidder's bid and may also lead to "black listing" of the bidder and all existing successful bids in hand, if any, shall be deemed to be cancelled.

15. CLARIFICATION OF BIDS SUBMITTED BY BIDDER

To assist in the examination, evaluation and comparison of bids, the LAPL may ask bidders individually for clarification of their bids, including breakdowns of prices. Requests for clarification and the response shall be in writing or e-mail.

16. CORRECTION OF ERRORS

16.1 Bids will be checked by the LAPL for any arithmetical errors in computation and summation. Errors will be corrected by the LAPL as follows:

- a. Where there is a discrepancy between amounts in figures and in words, the amount in words will govern; and
- b. Where there is a discrepancy between the unit price and the total amount derived from the multiplication of the unit price and the quantity, the unit price as quoted will normally govern unless in the opinion of the LAPL there is an obviously gross misplacement of the decimal point in the unit price, in which event, the total amount as quoted will govern.

16.2 If a bidder does not accept the correction of errors as outlined above, his bid will be rejected.

17. AWARD CRITERIA

The LAPL will award the sale order/contract to the bidder whose bid has been determined to be in line with the bid Documents and who has offered the competitive price, provided further that the bidder has the capability and resources to carry out the contract effectively. Depending upon the quantity of ash to be evacuated from the ash dyke/pond and the competitive price(s) quoted by the Bidders, LAPL reserves its right to award the contract to more than one Bidder under this tender. During the term of the tender contract, in case of continuous unsatisfactory performance of the selected Bidder(s), LAPL in order to meet its ash utilization targets as per applicable MOEF&CC notifications, as amended from time to time, shall have discretion to award additional contract(s) to other technically qualified Bidders agreeing to lift the ash at the competitive price(s).

LAPL'S RESERVES THE RIGHT TO ACCEPT ANY BID OR REJECT ANY ONE OR ALL BIDS

Notwithstanding anything contained in the tender document, LAPL reserves the right to accept any tender in full or part considered advantageous to the LAPL irrespective of whether it is highest or not, without assigning any reason whatsoever. Further, the LAPL reserves the right to annul the bidding process and reject all bids, at any time prior to award of contract, without thereby incurring any liability to the affected bidder or bidders or any obligation to inform the affected bidder or bidders of the grounds for the LAPL's action.

Tender Specification No: LAPL/ASH/SALE/2022-23/02

Dated: 25.04.2022

Last date of bid submission is 02.05.2022

18. NOTIFICATION OF AWARD

- I. Prior to the expiration of the period of bid validity prescribed by the LAPL, the LAPL will notify the successful bidder by e-mail, that his bid has been accepted.
- II. The notification of award will constitute the formation of the Contract.
- III. Upon furnishing by the successful bidder of a Performance Security in accordance with the provisions of Clause 21 of these bid documents, the LAPL will promptly notify the unsuccessful Bidders.

19. Initial advance payment

- I. Within 10 days from the date of awarding the order from the LAPL, the successful bidder shall furnish the initial amount in the form of a DD /RTGS for one (01) month of the amount stated in the final sale order value.
- II. Failure of the successful Bidder to submit and furnish the required EMD shall constitute sufficient grounds for the annulment of the award in which event the LAPL may make the award to the next highest evaluated Bidder or, if there are no other Bidders, call for new bids.
- III. In case the Buyer fails to execute the entire contract, for reasons not attributable to LAPL, LAPL reserves the right to forfeit the EMD amount.

20. CRITICAL DATES FOR BIDDING PROCESS:

Timelines mentioned above are indicative and are subject to change at the discretion of LAPL. LAPL reserves the right to amend the above schedule or modify/cancel the bid process at its own discretion. The successful bidder shall not be entitled to any loss / claim / damage arising out of or related to the amendment / modification / change in the abovementioned schedule.

21. INDEMNITY

Buyer shall keep LAPL indemnified from all liabilities resulting out of this contract and act of Buyer workman, including but not limited to taxes & duties, damages, penalties, fines, punitive measures, lawyer fees etc. of whatever nature due to non-compliance by Buyer in his scope of the applicable statutory laws, rules, notifications etc.

22. TERMINATION CLAUSE

For reasons covered elsewhere in this contract document including non-performance/ continuous poor performance under the contract, if the contract is to be terminated, 10 (Ten) days' prior notice shall be given by LAPL. In such eventuality, the EMD and Outstanding payments, if any may also be forfeited at sole discretion of LAPL.

However, if the Buyer desired to quit the contract, they have to give at least One month's notice.

ENCLOSURES
